

The A-SERT Apprenticeship is an industry led training program dedicated to providing high quality technicians through industry driven instruction, structured on the job training and focused recruitment activities.

## Fee Schedule

Annual per apprentice charges (also see the cost breakdown document);

**Affiliate Members - \$10,000 Per apprentice per year**

**Non-Affiliate Members - \$12,000 Per apprentice per year**

The A-SERT committee understands some organizations only have the need for an occasional apprentice. This allows non-affiliate organizations to participate in the program when the need arises.

**Affiliate Fee - \$1,000 per year**

Being an affiliate of the A-SERT Apprenticeship your organization will be included in all recruitment materials and activities of the A-SERT organization, your organization will participate in the apprentice application and selection process if necessary and your organization will be placed on the list of organizations actively looking for apprentices.
